REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Bethune Elementary, we are "Wild About Learning." Our small, rural elementary school is closing the achievement gap by continuing to use a variety of innovative and effective best practices. In order to achieve this, we use Measures of Academic Progress (MAP), DIBELS, and SuccessMaker results to gear instruction to meet student needs based on our analysis of these data.

Students in grades 1-2 participate in Literacy Groups three times a week in which they practice reading fluency, word making, and writing. Students in grades 3-5 are involved in Reading Focus Groups twice per week to help students achieve proficient and advanced levels on PACT. Students experiencing academic challenges are involved in 15 days of intervention at the beginning of the school year. They meet with a member of the school staff to set goals and discuss ways to maintain high academic achievement. Our school has approximately 50 community members and business personnel who serve as Reading Buddies to selected students. These buddies read to students weekly and eat lunch with them in order to help students boost their self-esteem. Students' science instruction is enhanced by increasing the amount of hands-on learning, science lab instruction, science team-teaching, and science fair participation.

Through our PTO activities, we are able to involve our community in many ways such as a community-wide fall festival, Snowman Shop, and Chicken Strut festival and rodeo. As a result of these activities, parents and community members are made aware of volunteer opportunities at our school. Funds raised during these events are used to purchase instructional tools and provide off-campus learning for our students. With strong support from our business partners, we are able to provide additional learning experiences outside of the classroom, including a character presentation from Primary Focus.

In addition to visits from author Michael Finklea and meteorologist Ben Tanner, students took trips to Myrtle Beach and McLeod Farms, planted a tree to celebrate Earth Day, and were recognized in quarterly academic awards assemblies. Bethune Elementary students are also given the opportunity to participate in Girl Scouts and Boy Scouts.

All of these efforts created an ideal learning environment where all students were challenged personally and educationally and were encouraged to set their goals high.
